CHAMPIONSHIP RULES

1. The Australian Championships are open to team representing single State Associations which are affiliated with the AWSA.
2. The eligibility for the Junior and Youth National Championships is respectively 15 years and under, and 18 years and under as at 1 January in the year of competition.
3. This tournament adopts the Laws of the Game as contained in the Referees Chart and Players Guide to the Laws of the Game (current edition) as published by the Football Association (England) and as modified by these Playing Rules.
4. A size 5 ball shall be used in all games.
5. Duration of games shall be 2x35 minute halves, with a half time period of no less than 5 minutes and no more than 10 minutes. Starting times for matches on all days should be scheduled at least 90 minutes apart. Injury time may be allowed at the referee's discretion.
6. Teams will consist of no more than 18 players and 4 officials.
7. Three substitutes may be used at any time during the game.
8. Should a team bring 18 players to the championship then they will be allowed to list 7 reserves on the team sheet but only 3 of whom may be used in any one game.
9. Each participating State Association is required, wherever possible, to have a second strip in case of colour clash.
10. Should there be a colour clash then the AWAY team will be required to change their strip.
11. Points shall be awarded on the following basis.
win (2), draw (1), loss (0)

CHAMPIONSHIP RULES (cont)

12. Each team will play in accordance with the approved championship format and keys (as detailed in the Regulations).
13. If only 4 teams participate in a championship, then leaders at the end of the first round robin will be declared winners of the Association Trophy, and the leaders at the end of both round robins shall be declared Champions. The game on Day 7 shall be a feature game only - i.e. Select 11 v Invitational 11.
14. In Championships where 5 or more teams compete, then the leading team after Day 6 will receive the Association trophy and the game on day 7 will be played between the 2 teams leading the points table to decide the Championship.
- 15a. Should the Championship Final be a draw at full time then there will be a five minute break followed by extra time of 2x10 minutes. If the result is still a draw after extra time then penalty kicks (as per FIFA regulations) shall be taken to determine the winner.
- 15b. In the event of a Final being cancelled or abandoned, with the approval of the AWSA members present, the winners of the Association Trophy shall be declared the Championship winners.
- 16a. In the event of teams being equal on points at the end of the preliminary rounds then goal difference will decide the order of finish. If goal difference is the same, then the team with most wins will be placed higher in the championship table. Should the number of wins be equal then the team which has scored the most goals will be placed higher. If goals scored are equal, they will be declared joint place-getters.
- 16b. In the event that two teams are absolutely equal in second place at the end of the preliminary rounds, these teams will compete in a playoff match at a mutually agreed time before the scheduled Final. The playoff will consist of 20x20 min halves with penalty kicks to determine the winner if the score is drawn at full time.

CHAMPIONSHIP RULES (cont)

17. If for any reason a State reports it cannot field a team on a certain day during the tournament, then the opposing team shall be awarded two goals and two points.
18. Neutral referees shall be used wherever possible. All State Associations will be expected to nominate a referee to attend each Championship.
19. Trophies and medals for winners and runners-up are to be supplied by the AWSA. Perpetual trophies remain the property of the AWSA. No individual trophies (ie Best & Fairest, Leading goal scorer) shall be awarded. The maximum number of trophies/medals provided shall be 22 per State.
20. Player shirt numbers are to remain constant throughout the tournament. Any alterations to the printed program must be notified to the organisers prior to the first game.
21. After receiving three yellow cards during the tournament, a player must be automatically suspended for one match.
22. Any player given a red card shall be automatically suspended for one match. Should the Chair of the Judiciary Committee decide that the offence may warrant a longer suspension then the matter may be dealt with by the Judiciary Committee.
23. Any suspension imposed under Rules 21 and 22 shall be for championship games only and can be carried forward if necessary to the next championship.
24. Any player suspended under Rules 21 and 22 shall
 - a. not wear the team strip
 - b. not sit on the team bench, and
 - c. not be listed on the matchcard
 for the match that she has received the suspension.
